LIONS GARAGE SALE

Several residents have expressed interest in taking part in the autumn Woodbury Lions Garage Sale to be held September 29 and 30, 2006.

Combining households to increase the amount of items for sale may be a good way to profit from goods you no longer need and to meet neighbors. If you are interested, please contact Susan Kallman at 734-0887.

ATTACHMENTS

The Architectural Committee has provided the Gopher State One Call brochure and "Dig Safely" color-coded card included with this newsletter. If you plan to add any vegetation to your outdoor area, please follow the user guide.

MARK YOUR CALENDARS

Save Wednesday evening, July 12, for our 3rd annual summer get-together. More information will be distributed to your home as the date draws nearer.

ARE YOU INTERESTED?

As stated in our previous issue, the Social Committee is trying to help residents find common interests for social activities. Lack of responses prompts us to try the following:

1. Let's gather at 471 Bluebird Lane (corner of Woodduck and Bluebird Lane) at 7:00 p.m. on Tuesday, May 30, for an evening walk around the area. Unless it's raining, see you there!
2. We've planned a wine-tasting social for Saturday, August 12. Bring a bottle of your favorite wine, or a new one you'd like to try, plus a snack to share. There will be a sign-up sheet with further information at the July 12 get-together.
3. What other activity would you like to attend to get to know more neighbors? Notify anyone on the social committee of your preferences!

4. Previous suggestions were card games, progressive dinners, bowling, book club, knitting, stamping and oil painting. We need your help - suggestions are welcome.

YOUR RESPONSIBILITIES

- Please read all board meeting minutes which are sent to you by Personal Touch Management.
- Sidewalks and driveways (with the exception of snow removal) and the retaining walls around our homes are to be maintained by the individual homeowners.
- Please insure that the lights on either side of your garage door are replaced as soon as they burn out.
- Cleaning out your house or garage? The Hazardous Materials Collection Site at 1900 Hadley Avenue North in Oakdale is open Tuesdays, noon to 7 p.m., Thursdays and Saturdays, 9 a.m. to 2 p.m.

CELEBRATIONS

If you have a special anniversary, birthday, birth or adoption of a baby, or another memorable occasion, please contact any member of the Social

Committee and we'll be happy to publish that event in the next newsletter.

Congratulations to Jim and Louise Jacobs who recently became grandparents for the 18th time!

"BY THE NUMBERS" - GETTING TO KNOW YOU

- 55 per cent of Americans are less acquainted with neighbors than their parents were a generation ago.
- 27% of Americans don't know their neighbors' first and last names.
- 59 per cent say they are too busy creating "meaningful relationships" to be friendly with neighbors.
- 48% have borrowed something such as a cup of sugar from a neighbor.

Do you identify with these groups?
