

FOR THE BIRDS

**Heritage Glen Homeowners' Association Newsletter
June 2016**

BOARD TWEET

Due to a shortage of homeowners interested in hosting a garage sale in conjunction with others in Heritage Glen, we will not have a community sale this year, but will set a date well in advance for early summer 2017.

You'll be notified in an upcoming newsletter so there will be ample time to prepare. Hopefully everyone considering or planning to hold a garage sale next year will take part in our HG Community Sale.

MARK YOUR CALENDARS

The Social Committee has selected Saturday, June 18, from 5:00 to 7:00 p.m. for our annual Heritage Fest picnic. Full details are provided on the flier which is included in this mailing. Join us for picnic fare and camaraderie; meet new neighbors and greet old friends.

Become eligible for a \$25.00 gift card drawing by bringing a new, unopened bag, can or box of pet food or a pet care item for the "Pet

Project" table. You need not be present to win.

VOLUNTEER PROJECT

Lynne Michaels is spearheading the staining of mail box posts which will take place some time in June. It's not too late to contact her at 206-3998 to offer your services and help with the project.

NEW NEIGHBORS

We are pleased to welcome the following new homeowners:

Barb Korum, who resides at 276 Blue Heron Lane and previously lived on the "other side" of Woodbury, is retired.

Roque "Rocky" Caguigin and his three adult sons are the new residents of 394 Bluebird Lane. Rocky is a supervisor at the Woodbury Walmart and all of his sons are employed at the same location!

David and Kathleen Short lived in another part of Woodbury before moving to 292 Blue Heron Lane. David still works while Kathleen is retired.

Vera Ducept and her daughter moved into 443 Bluebird Lane, coming to HG from the Colby Lake area of Woodbury. Vera works as a medical malpractice underwriter for the MMIC Group.

Thomas and Barbara LeClaire previously resided in Burnsville and moved to 455 Bluebird Lane in early May. Both are retired.

A warm welcome to all - enjoy your new homes! We encourage you to join any committee (the time involvement is minimal) and learn more about how our Association works. Contact any Board member or Committee Chair for more information.

2016 ELECTIONS

The big presidential election is coming up this year. The primary will be held on August 9, with the general election on November 8.

Washington County is looking for many new election judges, so please consider offering your services. Although you volunteer for duty, you will be paid!

For more information, contact Washington County Elections at (651) 430-6790.

BUNCO NIGHT

Our April 9 Bunco Night was an evening of fun for all who attended. We hope that even more residents try this easy dice game the next time we get together. Watch for details in future newsletters and fliers.

TRASH COLLECTION

Celebration of the July 4 holiday will change our trash collection day to Friday, July 8.

GOING GREEN

The 2016 Washington County Guide to Recycling Household Hazardous Waste and Recycling Resources was sent to all residents in March. You can also obtain the information at www.co.washington.mn.us/publichealth.

Get specific information regarding proper disposal of all types of recyclables, syringes, medications and electronics, hazardous materials, etc.

THINK ABOUT THESE

1. It's better to walk alone than with a crowd going in the wrong direction.
2. You cannot hang out with negative people and expect to live a positive life.
3. Never lose hope. You never know what tomorrow may bring.
4. One of the hardest decisions you'll ever face in life is choosing whether to walk away or to try harder.
5. Music is what feelings sound like.
6. The mind replays what the heart can't delete.
7. Be thankful for the bad things in life. They open your eyes to the good things you weren't paying attention to before.
8. A pretty face is nothing if you have an ugly heart.
9. It's hard to be happy if we refuse to let go of the things that make us sad.
10. When nothing goes right, go left.
11. What doesn't kill you makes you stronger. Except for bears - bears will kill you.
12. There are times when your greatest accomplishment is keeping your mouth shut.
13. No matter how big a hammer you use you can't pound common sense into

some people.

PET CLEAN-UP

The May Special Edition newsletter addressed the issue of keeping our grassy areas as clean as possible.

We continue to see certain dog-walkers allowing their pets onto the lawns in front and in back of homes to relieve themselves. Please keep your dogs on the street while walking them; when you reach the wooded areas along the paths they can move about more freely.

I WAS THINKING

- Employment application blanks always ask who is to be called in the event of an emergency. You should write '911'.
- The easiest way to find something lost around the house is to buy a replacement.

- Did you ever notice that the Roman numerals for forty (40) are XL?
- Women should put pictures of missing husbands on beer cans.
- The sole purpose of a child's middle name is so he can tell when he's really in trouble.
- Did you ever notice that when you put the two words "The" and "IRS" together it spells "theirs"?
- As for me, I'm just hoping God grades on the curve.
- Ah! Being young is beautiful but being old is comfortable.
